Lesson 3

Dear Parents,

Hello! This week was week 2 of our series on the Trinity. We had an excellent time together, and I hope your teenager walked away with a greater understanding of the role Jesus plays as the second Person of the Trinity, God the Son.

The lesson was entitled "The Savior Son." It focused on helping students understand that the Son, Jesus, came to earth to redeem His own creation from the effects of sin. We challenged students to consider what it means that God would come to earth as a human - fully God, fully man - in order to purchase their life.

We looked at the following Scripture passages:

- Romans 1:1-7
- John 3:16

You'll enjoy reading these passages and see how God interacts with us through the work of the Son.

Next Steps . . .

During the next week as you have time to talk with your child, consider asking the following questions:

- If you had to explain Jesus coming to earth to someone who had never heard it before, how would you describe it, especially factoring in what you just learned about Jesus' mission as the Son?
- Why do you think it's hard for us to process the full depth of what Jesus did for us through His life, death, and resurrection?
- Jesus is God. He was with God before the creation of all things. Yet, He came to earth, fully God and fully man, to save the very people He created. How can we live our lives in such a way that we honor what Jesus did for us? Are there things we can do as a family?

If you have any questions about anything, please don't hesitate to call me. I'm looking forward to our final week of this series.
